

Autumn 2 in Year 4

Welcome back! We hope you had a restful holiday and are ready for the exciting term ahead! In reading, we will be starting our new text “Young, Gifted and Black” and looking at the impact people from various cultures and backgrounds have had on the world. In English, we will be working on poetry and diary entries. We will be continuing our topic “Temples, Tombs and Treasures” in history, before moving onto investigating light and sound in science. In maths, the children will be learning about Multiplication, division, perimeter and area. A huge thank you for your continuing support with helping your child learn the times tables, learn their weekly spellings and complete their homework.

Homework

Homework and spelling tasks will continue to be sent out on Wednesday, with homework being returned on Wednesday at the latest.

Reading books will be going home each day and the children are expected to bring them back into school with them every morning. The expectation is that the children read everyday at home and with an adult at least three times a week.

This Term's Trip

We will be going to the National Gallery in Trafalgar Square to explore masterpieces, from Van Eyck's *Arnolfini Portrait* and Da Vinci's *Virgin of the Rocks* to Van Gogh's vibrant *Sunflowers* and Turner's iconic *Fighting Temeraire*.

Year 4 Multiplication Test

At the beginning of the Summer Term, all children will be taking part in a national Multiplication Test online at school. The children will be tested on all times tables from 0-12. So, we are asking all parents/carers to support their child at home to practise and learn their times tables.

Coming soon: Breakfast at the Spanish café!

In Spanish our unit for this term is, 'Desayuno en el café' (Breakfast in the café). Later in the term, we will be enjoying ordering drinks and food from a Spanish class café.
