

**A message about Nursery**

Welcome back. We hope you had a lovely break. We will be starting our Spring term with the topic 'Dinosaurs'. Through stories, play and hands-on exploration, the children will be learning new vocabulary, practising the pronunciation of longer words and using language to talk about what they observe. We will also be encouraging the children to explore using all their senses, express their emotions and share their ideas as they learn more about the world around them.

**Maths**

In maths, the children will be learning to count and recognise numbers up to 4.

We will also be exploring height and length through practical activities.
