

A message about Year 2

Welcome back! We hope you all had a lovely February half term and are ready for the exciting things we have planned for the next few weeks including an amazing trip to Hall Place! A great hook for our new topic 'Live and Let Live'.

- In Maths we will be multiplying and dividing by 2, 5 and 10. We will also be looking at length and height by measuring in centimetres and metres. We will end the half term by measuring in grams, kilograms, millilitres and litres in the most fun way imaginable.
- In English we will be looking at the book 'Rhythm of the Rain' and writing recounts from the perspective of the water. We will then read 'The Sun and the Wind' and retelling it.
- Our IPC topic will be 'Live and Let Live'. We will be looking at the differences between living and non-living things and we will be learning about the seven characteristics. We will also be looking at the life cycles of living things and the habitats in which they live in.

Homework

Homework books will be sent out every Wednesday. Please complete one activity from the sheet per week.

Please ensure homework books come back in every Monday for the teachers to see.

Reading – **please ensure you are reading with your child every day and recording this in their reading record.**

Spellings – these will be sent out by your child's phonics teacher.
