

A Message from the SEND resource provision

Hello and welcome to our Summer 2 half term!

Hope you all had a lovely week .

This half term, our topic is **“In the Jungle!”**, where we will be focusing on a different story each week. These include:
The Selfish Crocodile, Giraffes Can’t Dance and Monkey Puzzle.

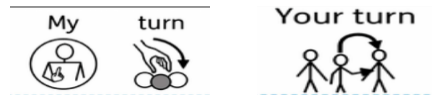

Communication and Language:

Children will continue developing their listening and attention through stories, nursery rhymes and Attention Autism activities. They will practise following instructions with up to three key words, answering simple questions and continuing to develop their use of Makaton, vocabulary and group interactions.

Social, Emotional and Mental Health:

This half term, children will continue building confidence and independence as they prepare for transitions and moving on. We will focus on turn-taking, recognising achievements, self-regulation strategies and learning how to keep ourselves safe.

Literacy and Phonics:

Through our jungle-themed stories, children will retell familiar stories, join in with repeated phrases and begin identifying vowel sounds in phonics. Writing opportunities will encourage simple sentence writing using phonetically plausible attempts and new vocabulary.

Mathematics:

Children will develop their number skills through songs, rhymes and practical activities, focusing on counting, simple addition and taking away. They will also explore repeated patterns and positional language such as *on top*, *behind* and *in front*.

We look forward to finishing the year positively and celebrating all the children’s achievements.
Mrs Bingley Resource Provision Lead
