

A message about Reception

Reception have loved learning about ‘Fantastic Creatures’ and about their habitats! Our next topic is ‘Superheroes’, where we will be learning about different superheroes and what makes them special.

We will be continuing our phonics, reading, writing and mathematics teaching through targeted whole class sessions. We will be continuing to follow the Little Wandle programme for phonics in which we will be particularly focusing on their blending (reading) and segmenting (spelling) skills. Children should continue to read at home daily to further develop their phonics skills.

In Mathematics, we will be continuing to follow the White Rose scheme of work. This half term our focus will include teen numbers, subtracting and patterns.

Homework

This half term, our topic will be ‘Superheroes’. We would like the children to create their favourite superhero. This could be a superhero they already know or coming up with their own one. These will be displayed in our classrooms for everyone to see! We would also like the children to practise the different sounds we have learnt over the course of the year. Please send in any evidence so we can celebrate the children’s efforts at school.

Weekly time table

PE will be taught on the following days:

- Chawla class - Tuesday and Wednesday
- Farah class- Monday and Wednesday
- Donaldson class- Wednesday and Friday

Children should come to school in their PE kits on these days.
