

### The term ahead: Summer 2 in Year 4

Welcome back to Summer 2 in Year 4! We hope you enjoyed the sunshine over the holiday and are ready for an exciting final half term before Year 5. Our new text in reading will be 'Varjak Paw', a story about a cat in search of its destiny. In English, the children will be writing adventure stories with elements of cultural references and moving onto analysing humorous poetry. In maths, the children will be completing their official Multiplication Tables Check in test conditions and then moving onto decimals, time and shape. In science, we are going to be learning about power and forces in the topic 'Feel the Force'. In PSHE, we will be completing the topic 'Relationships' and then moving onto 'Changing Me'. In Spanish, we will be learning vocabulary about musical instruments and talking about them in simple sentences.

#### DT

As part of our DT topic, the children will be cooking healthy pizzas. Please start to think about bringing into school a few ingredients that you would like to use as your pizza toppings. Yum!

#### Weekly time table

##### **PE Days:**

Benjamin: Tuesday and Friday  
 Rashford: Tuesday and Friday  
 Brunel: Tuesday and Friday

##### **Wednesday:**

Homework due into school

##### **Friday:**

Homework sent home

#### Trip

At the moment, we are busy organising a trip to London Zoo. This is part of the 'Pioneer Passport' experience and as such there is no cost. We will be investigating the habitats of animals from around the world.

#### What are we up to?

Keep up with the adventures of Year 4 on Class Dojo and Instagram!

**ClassDojo**

#### Reading & Homework

Please continue to encourage your child to read at home and engage with the weekly homework including learning spellings.

#### Uniform
